About myself

1. прочитайте вслух и переведите текст:

About Myself

My name is Tanya Bobrova. I am 17. I was born on the 5th of March 1988 in Moscow.

My family is not very large. We have five people in our family. I live with my parents, my younger sister and my grandmother. My father's name is Vladimir Ivanovich. He is forty years old. He is a doctor and he works at a hospital. My mother's name is Lyudmila Leonidovna. She is thirty-nine years old. She is a housewife. My younger sister Natasha is a pupil. She is in the seventh form. My grandmother lives with us. She doesn't work. She is a pensioner. I love my family. We are all friends and we love each other.

We live in a big flat in a new house. There are four rooms in our flat: a living room, a study, two bedrooms, a kitchen, and a bathroom. We have all modern conveniences: gas, hot water, running water, electricity and telephone.

I have my duties about the house. I must go shopping, clean the rooms. It's not difficult for me. I want our home to be clean and tidy. I think there is no place better than home.

Last year I finished school number 92. We had many well-educated teachers at our school. I was a good pupil and I did well in all subjects. My favourite subjects at school were Mathematics, Russian and English. Now I'm a first course student of the college.

I have many friends. Most of them are my classmates. We spend much time together, go for a walk or to a disco party, talk about lessons, music, and discuss our problems.

I like reading. I like detective stories but I prefer to read historical novels or modern writers. I like to listen to modern music, but sometimes I like to listen to some classical music. My favourite composer is Tchaikovsky. I haven't much time to watch TV but sometimes I spend an hour

or two watching an interesting film or a news programme. In the evening I often look through fresh newspapers or read some interesting book. I like fresh air and exercises, but I have not much time for doing sports.
